the purity of his blood, with other interesting facts relating to his carrer;—
SAID (also spalled Sayed), as given by the groom of Nubar Padina, Minister to France from Eigyst, was found on the 27th of March, 1865, at the stables of Nubar Pasha. His sire was the famous Rhorassan, the property of Abuda Medjid. S id's dam was Obian, the property of Abuda Medjid. S id's dam was Obian, the property of Nubar Pasha, and is the decendant of the celebrated Jan'ezar, which leaped the citadia walls with the last Manneinke Bey when ficeing from habound Ali in 1819. Therefore, Said is a cross between the Nedjid breed on the mother's side and the Anasseh breed on the size of Khorassan.

This grand Arab stallion exhibited wonderful powers of eacturance and speed in the Abysanian war, being ridden constantly by an officer during that campaign.

Said will be exchanged for a fast and improving young trotting horse. trotting horse.
